Honorable John L. Moore  
Administrator  
General Services Administration  
Washington 25, D. C.

Dear Mr. Moore:

We are in complete agreement with the position stated in your letter of March 24, 1961 that it is highly desirable to acquire concurrent jurisdiction with the Commonwealth of Virginia over the headquarters site of the Central Intelligence Agency at Langley, Virginia. The cession of such jurisdiction by the Commonwealth of Virginia would not only assist you in your responsibility for protective and security services for the new location but would provide other benefits which would be in the best interests of this Agency and the Federal Government generally. We, therefore, concur in your request and plan to approach the Governor of Virginia and the Attorney General of the Commonwealth in the near future. We shall call on you for the assistance offered in your letter.

Thank you for your continuing cooperation and support.

Sincerely,

We have long agreed with GSA that concurrent jurisdiction with Virginia in the Langley property is most desirable. GSA wants to formalize its position in this regard, hence its letter of 24 March. I recommend your signature on the attached response. We should then approach the Governor of Virginia in the near future.
